

2020 Pediatric Collaborative Action Plan

Based on the topics discussed today, identify one idea that you will take back and implement in your organization.

→ What is the idea?

→ Why does this idea resonate with you?

→ What is your organization's current state relative to this idea?

→ What key stakeholders need to be involved to gain support for your idea?

→ What pushback do you anticipate? How will you address this?

→ What are the first three (3) steps you will take towards implementing your idea?

1.

2.

3.

→ When will you take the first step (date)?
