Dear Employee,

As a valued member of Alpha Hospital, we are asking for your help. We know that your engagement at work has a direct impact on resident and family experiences at Alpha Hospital. We want to make sure you have the tools you need to provide the highest standards of resident-centered care, while also enjoying your work here. In order to do that, we are asking for your feedback.

Below you will find a personalized link to your Employee Engagement Survey. The survey gives you an opportunity to provide open, honest and anonymous feedback about Alpha Hospital. All responses will remain confidential, so you can feel comfortable sharing your thoughts and opinions. **Please complete within 30 days.**

Complete the questionnaire online by going to the website and using the access code below. The access code has been assigned exclusively to you, so please do not share it with others.

Website: <http://nrc.to/GHCAEmployee>

Access Code:

After the survey is completed, the results will be de-identified and compiled by NRC Health and communicated to Alpha Hospital. Leaders are expected to share team results and create action plans with their teams to reinforce strengths and address identified issues and concerns.

Thank you for taking the time to respond to this important survey and all you do for the residents and families of Alpha Hospital each and every day.
