

Networking collaboration session

Finding Tangible Solutions to Today's Healthcare Challenges

Pediatric Collaborative 2018

Session Roadmap

- Overview
- Discuss your identified healthcare issue (small group)
- Report-out
- Actionable takeaways development (large group)
- Closing remarks

Healthcare issues frequently recur—let's start a journey together of looking at them differently for reaching manageable solutions.

Topic #1: Patient care transitions

Topic #2: Behavioral health management

Small groups discussion: 10 minutes

Report-out and large group discussion: 10 minutes per topic

- Select one aspect of your topic that you're struggling with.
- What are some of the barriers?
- What are some solutions?
- Pick one of the solutions.
- Who do we need to engage to affect change?

Closing remarks
