

We're Listening

You're the reason we're here

# We're Listening

We have partnered with the Georgia Health Care Association and NRC Health, a survey expert, to better understand the customer experience. As part of our mission, we strive to create an environment focused on the needs of the resident and their family.

You may receive a confidential questionnaire asking about your experience. Please honestly answer the questions.

***We need to hear from you in order to improve our quality of care.***
