Good business leaders create
a vision, articulate the vision,
passionately own the vision,
and relentlessly drive it to
completion.

~Jack Welch~

1. Be The Lead Horse

2. Be Agile

The world has not just turned upside down.
It is turning every which way at an
accelerating pace...
Today, loving change, tumult, even chaos is
a prerequisite for survival,
let alone success.

~Tom Peters~

2: Important considerations

Today is Not Guaranteed to be a Repeat of Yesterday

The Future Isn't What It Used To Be

The significant problems we face today cannot be solved at the same level of thinking we were at when we created them.

-- Albert Einstein --

“Every organization has to prepare for the abandonment of everything it does.”

Peter Drucker

3. Develop a Fresh View of the Future

When you change your view
of the world, the possibilities
inside your world will change.

Create a People Focused Culture

Be Free with Recognition and Appreciation

Don't Treat People Equal

There is nothing so
unequal as the equal
treatment of unequals.

-- Vince Lombardi --
