

Empathy Assessment

Please rate yourself on the statements below, and explain how each statement impacts your interactions with patients, their loved ones, and your coworkers.

	Never	Sometimes	Usually	Always	How does this characteristic impact interactions with patients, their loved ones, and coworkers?
1. I can tell right away if someone says one thing but means another.					
2. It is difficult for me to see why some things upset people so much.					
3. It's easy for me to put myself in someone else's shoes.					
4. I can tell if someone is feeling uncomfortable without them saying so.					
5. I appreciate other people's points of view, even if I don't agree with them.					

Based on your responses, in what areas do you excel? Where can you improve?
