

2021 Pediatric Collaborative Action Plan

Based on what you learned at the 2021 Pediatric Collaborative, identify one opportunity to enhance your organizations' patient/family experience.

→ What is the biggest takeaway you learned from the presentations today?

→ How will you apply the takeaway to your job or to advance your organization's patient/family experience?

→ Name one person you're going to share one of the presentations with.

→ Why are you going to share this one presentation with the person listed above?

→ When are you going to share this presentation with the person listed above? (Date)

→ How will you collaborate with the person to implement the takeaway you noted above?
