## **Kevin Barnett, Dr.P.H., M.C.P.**

**Executive Director, Center to Advance Community Health & Equity (CACHE), Public Health Institute**

---

Kevin has led research and fieldwork to advance hospital community benefit practices for nearly three decades, working with hospitals, government agencies, and community stakeholders across the country. He serves as the Executive Director of CACHE, a national center supporting evidence-informed intersectoral collaboration between hospitals and diverse stakeholders. Current work includes a partnership with the National League of Cities (NLC) with funding from the Robert Wood Johnson

Foundation (RWJF) to support equity focused strategies in ten cities and a partnership with the New Hampshire Hospital Association and the Center for Impact Finance at UNH to support a statewide strategy for community development investment and policy advocacy, among other projects. Kevin serves on the board of directors for the Trinity Health System and the Pathways Community Hub Institute.
