Hearing is Believing

We're Eargo, and we're on a mission: to change the way you think about hearing aids, and we won't stop until we do. Well...we might take a coffee break, but after that, it's full steam ahead. Why? Because Eargos aren't your ordinary hearing aid. They're small, invisible, rechargeable, and super comfy. It's the hearing aid you have to hear to believe.

Designed with You in Mind

We believe people shouldn't feel that they need a hearing aid. They should feel that they want one.

The Narcissist

I literally have no idea what he just said... but I think he was hitting on **Me!**

A black smartphone is mounted on a black tripod. The screen of the phone displays a photograph of a young woman with long blonde hair, wearing a denim jacket and a black top, smiling and touching her hair.
