Elisabeth Hurst

Strategic Advisor
The Governance Institute

Elisabeth is a Strategic Advisor with The Governance Institute, assisting members with identifying governance needs and guiding them through development of increased efficiency and effectiveness in the ever-changing healthcare landscape. Elisabeth received her juris doctorate in 2010 and has specialized in governmental advocacy of healthcare policy, working with independent hospital and health system executives and staff, community-based partners, and regulatory agencies for over five years. Her policy and industry-specific experience provides members with unique insights into the challenges faced in healthcare governance today.
