# Customer Connections

*Gathering Insights, Inspiring Understanding*

## Goal of the Connections

Come together as a community and learn from the insights of the collective NRC Health patient database.

Grow by learning from those interested and closest to the work.

## Event Details

One-hour virtual sessions using a video platform to engage with customer peers in discussion of each topic at hand. All sessions are recorded, and post-event briefings will be provided to attendees and interested parties.

### VIRTUAL EVENT
