

## **Marc Gorelick, M.D., M.S.C.E.**

### **President & CEO, Children's Minnesota**

Marc Gorelick is President and Chief Executive Officer of Children's Minnesota, the state's largest healthcare system dedicated 100% to kids and teens. In his role as leader of an integrated pediatric health system, he is deeply committed to identifying sustainable ways to continue to deliver exceptional and equitable care in an evolving healthcare environment.

Marc previously served as Executive Vice President and Chief Operating Officer of Children's Hospital of Wisconsin in Milwaukee. His education includes a bachelor of arts in history from Princeton University, a doctor of medicine from Duke University, and a master of science in clinical epidemiology from the University of Pennsylvania. Marc trained in pediatrics at Children's National Medical Center and in pediatric emergency medicine at Children's Hospital of Philadelphia.
