## Ron Hetrick

**Senior Labor Economist & Vice President of Staffing Product  
Lightcast**

---

Ron Hetrick is a Senior Labor Economist and VP of Staffing Product at Lightcast. With 30 years of experience in labor economics, he is a leading expert in the current state of the U.S. labor market.

Hetrick presents economic and corporate data findings to large companies, trade associations, and local governments. He was a senior and supervisory economist for eight years with the Bureau of Labor Statistics in Washington, D.C., and had a 20-year stint as the advising chief economist for the largest staffing company in the U.S. Quoted by CBS, CNBC, The Wall Street Journal, and Forbes, Hetrick has provided analysis for former chairman of the Federal Reserve Alan Greenspan as well as The Council of Economic Advisers. Hetrick was lead author of “The Demographic Drought” and co-lead author of the recently released article “Who is going to do the work?” He keynotes at conferences around the country on the current labor situation.
