Dani Glascock

**System Director of Governance & OGC Operations
Hospital Sisters Health System**

Dani Glascock currently serves as the System Director of Governance & Office of the General Counsel (OGC) Operations. She has been with Hospital Sisters Health System (HSHS) for thirteen years. HSHS is a not-for-profit healthcare system headquartered in Springfield, Illinois, and operates a network of 15 hospitals and other healthcare facilities throughout Illinois and Wisconsin.

During her tenure with HSHS, Dani has provided support and partnered with the OGC, HSHS Board of Directors, and HSHS executive leadership. Her priority focus is preserving the mission, vision, and values of HSHS through governance modernization and meaningful oversight.
