NRC Health to Report Second Quarter 2026 Financial Results on July 28th

LINCOLN, Neb., July 7, 2026 – NRC Health (Nasdaq: NRC), a leader in healthcare experience improvement solutions, today announced it will release its financial results for the second quarter ended June 30, 2026, on Tuesday, July 28, 2026, at approximately 4:00 p.m. Eastern Time. The second quarter 2026 results will be posted on the NRC Health Investor Relations website at <https://nrchealth.com/investor-relations/>.

NRC Health CEO Trent Green and CFO Shane Harrison will host a conference call to discuss the financial results on Tuesday, July 28, 2026, at 4:30 p.m. Eastern Time. A live webcast link and call replay details will be available on the NRC Health Investor Relations website at <https://nrchealth.com/investor-relations/>.

About NRC Health

For more than 40 years, NRC Health has led the charge to humanize healthcare and support organizations in their understanding of each unique individual. NRC Health's commitment to Human Understanding® helps leading healthcare systems get to know the patients, families, consumers, employees, and communities they serve on a human level. Guided by its uniquely empathic heritage, unmatched national market research, and emphasis on consumer preferences, NRC Health is transforming the healthcare experience, creating strong outcomes across the healthcare journey.
